

REMARKS

This paper is filed in response to the Office action mailed on February 27, 2009. According to the Office action, all pending claims 81-88 and 93-96 are allowed over the prior art. The Office action, however, asserted a claim objection against claim 96 for ending with a semi-colon instead of a period. Claim 96 is amended herein to remove the semi-colon and substitute therefor a period. Accordingly, reconsideration and withdrawal of the claim objection are respectfully requested.

CONCLUSION

It is submitted that the present application is in good and proper form for allowance. A favorable action on the part of the Examiner is respectfully solicited.

If, in the opinion of the Examiner, a telephone conference would expedite prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

The Patent Office is hereby authorized to credit any overpayment or charge any deficiency in the fees filed, asserted to be filed, or which should have been filed herewith to our Deposit Account No. 50-3629.

Respectfully submitted,
MILLER, MATTHIAS & HULL
